JURY DEMAND

**UNOPPOSED MOTION FOR EXTENSION OF TIME TO FILE RESPONSIVE
PLEADING**

Defendants, the City of Mount Juliet, Tennessee (the “City”), City Manager Kenny Martin, in his official capacity, Chief of Police James Hambrick, in his official capacity, and Zoning Administrator Jennifer Hamblin, in her official capacity, (collectively “City Defendants”) move this Court for an extension of time to file responsive pleading. In support of this motion, the City Defendants would show unto the Court as follows:

1. On December 18, 2019, Plaintiff filed a Complaint challenging a City Ordinance 2019-16 (“the Ordinance”), which was introduced in March 2019, and provides for the guidelines and requirements for surgical abortion clinics within the City. [D.E. 1, Complaint.]

2. Plaintiff served the City and purports to have served the individual defendants through service on a City administrative assistant on December 19, 2019. [D.E. 9, 10, 11, 12.]

3. The City Defendants seek an extension of time until January 31, 2020, to file their response to the Complaint.

4. Undersigned counsel conferred with counsel for the Plaintiff, and Plaintiff does not oppose the City's request for an extension of time to file a response to the Complaint until January 31, 2020. In light of Plaintiff's agreement for the extension, the individual defendants waive any objections to whether service through a City administrative assistant was proper.

Based on the foregoing, the City Defendants respectfully request an extension of time to respond to the Complaint until **January 31, 2020.**

Respectfully submitted,
